Recorded by Anthem Worship

Words and Music: Joshua Jamieson, Jared Jamieson, David Ryan Olson, Neto da Silva, Brianna Cruz

Verse 1

I've prayed so hard but nothing has changed
Still cry these tears still feel this pain
Where are you now are you still close
Am I on your mind am I alone

Prechorus 1

When I'm giving up
And I'm losing trust
Give me strength to believe

Chorus

Even when my tears fall
You are always faithful
I know you still hold me
Right here in your hands
And even in my hurting
You are always working
I know you still hold me
Right here in your hands

Verse 2

When I'm afraid
Of what's to come
You promise me
You're never done

Prechorus 2

So I'm not giving up
I'm not losing trust
Give me strength to believe

Chorus

Even when my tears fall
You are always faithful
I know you still hold me
Right here in your hands
And even in my hurting
You are always working
I know you still hold me
Right here in your hands

Bridge

You will carry me
When my legs are weak
And I can't stand and face my fear
You have known my pain
You have felt the same
I believe you're always near

Chorus

Even when my tears fall
You are always faithful
I know you still hold me
Right here in your hands
And even in my hurting
You are always working
I know you still hold me
Right here in your hands
