

You Are Strong

Verse 1

Have you ever been afraid of the darkness after day?
Have you ever lost all hope?
He is strong He is strong

Have you ever felt the pain when a loved one passed away?
Have you ever dried a tear?
He is strong He is strong

Pre-Chorus

In the midst of the storm my God
He is strong

Chorus

My savior, redeemer
My father, my healer
My God my rock, You are strong

My fortress my defender
In storms of night my deliverer
My God my rock, You are strong
You are strong

Verse 2

Have you ever been alone, broken down, without a home?
Have you ever been dismayed?
He is strong, He is strong

Have you ever felt the weight of sin that burdens, sin that hates?
Have you ever been ashamed?
He is strong, He is strong

Bridge

You are stronger for forever
Stronger in the night
Stronger in my sorrow
Stronger in the fight
Stronger in tomorrow
Stronger in today
Stronger in my weakness
Stronger all the way

Who holds the world in His hands
My God saves, my God saves
Who holds the world in His hands
My God saves, my God saves
