

# All I Bring (Anthem Original) [Lyrics, 72 bpm, 6/8]

[Anthem Worship]

## Intro

### Verse 1

A miracle baby born in the dirt  
Kings brought him gifts to honor his birth  
But nothing I have is what he deserves  
So all i give is myself

A child of heaven sent down to earth  
A choir of angels announcing his birth  
But nothing I have is what he deserves  
myself

### Chorus 1

I don't have much to bring  
Nothing worthy for a king  
I don't have gold or wealth  
So all I bring is myself

### Verse 2

I stand here empty, with nothing of worth  
He gave me a gift that I couldn't earn  
And nothing I have is what he deserves  
All I can give is myself

## All I Bring (Anthem Original) -

### **Chorus 2**

I don't have much to bring  
Nothing worthy for a king  
I don't have gold or wealth  
So all I bring is myself  
So all I bring is myself

### **Bridge**

The cries of a baby piercing the night  
The sound of a savior who gave up his life  
  
I fall to my knees for the king of all kings  
Let all creation sing
